At Aberhall due to limited parking we ask no horses are tied to trailer and you warm up, compete and leave. We will happily post tests and rosettes if a SAE is left with a large letter stamp envelope. You are welcome to pop back in a car the same day or pick up a test sheet after the day.

Entries close 5 days before each show or earlier if full

Times will be published on Riding Club Results 3 days before the competition - [Riding Club Results](#)
Results will also be going up live on the day on [Riding Club Results](#)

Competition will start between 8.30am and 9.30am

League Rules

Leagues are only open to full HDRC members.

Once you have won a league at a level you will not be able to gain points at a lower level than you have won with HDRC in previous years. This applicable to both out summer and winter shows.

IE if you have won a league at Prelim & Novice, you will only be eligible to earn points at Novice level.

This applies to the same horse and rider combination.

DTM classes will count towards league scores.

Only 2 scores at a level will count towards league points.
